Dear Karen,

**FORTH ESTUARY TRANSPORT AUTHORITY
REVENUE AND CAPITAL GRANT UNDER SPEND 2011/12**

Thank you for your letter of 18th June 2012 seeking approval for carry forward into 2012/13 Scottish Government Grant awarded to FETA in 2011/12.

The amount of proposed carry over is £857,000.00.

In line with terms and conditions in my Grant letter of 31st March 2012 (para 3.2), I confirm authorisation.

I note your total capital and revenue grant award for 2012/13 is £6,280,000 and £4,993,330 respectively. In order to meet the current financial pressures associated with your current capital programme you are expected to utilise your proposed carry over amount of £857,000.00 over and above your total grant award.

Yours sincerely,
