[REDACTED],  
I have a prearranged meeting on Monday 12th from 12 noon in Edinburgh which involves a number of people travelling up from England and I am at Holyrood all day on Tuesday. Have you any other dates available? Very early or late pm Monday would be possible as I could travel directly to or from the Edinburgh meeting.

**Subject:** Spending Review 2010 Evidence Base: Capital Expenditure

Barry,

**Spending Review 2010 Evidence Base: Capital Expenditure**

In preparation for the major UK Government Spending Review, Transport Scotland and the Scottish Government has now begun its formal process of gathering evidence on capital spending plans. As part of that process we would like to invite FETA officials to meet with senior staff here to discuss this important subject as it affects the Forth Road Bridge.

Two slots available to staff here are:

- Monday 12th July (11:30am onwards); and
- Tuesday 13th July (all day).

It would be helpful if you could confirm by noon on Thursday the availability of FETA officials for this purpose. We shall issue more information about the exercise prior to the meeting.

Happy to discuss.

Thanks,
