

<b>INSPECTION DEPARTMENT</b>
<b>Viaduct Soffit Survey Sheet VSPI O5</b>
<b>DATE:</b> 10/09/09

The diagram illustrates the layout of the West and East cycle tracks. The West cycle track is on the left, and the East cycle track is on the right. A central dashed line separates the two tracks. The East cycle track is divided into four sections, each labeled with a beam number: BI38X, BI39X, BI40X, and BI41X. A red square is located in the BI39X section of the East cycle track. The beam numbers are listed vertically on the right side of the diagram, with a vertical line connecting them to the corresponding sections of the East cycle track.
